Objectives:

- to provide a forum to share techniques to improve our personal levels of performance
- to provide market information regarding each member’s specific industry
- to develop trusted business associates
- to enhance our business opportunities, be enthusiastic
- to develop new friends and have fun

Membership Qualifications:

Members must be active in a business-to-business industry and place a high value on the participation in our group as a means to enhance their business opportunities. There will be no conflict of interest in the services represented by the group’s membership. In the case of members with multiple services, such members must select one service to represent at the group. Direct personal marketing to the membership is not encouraged.

Personal involvement and attendance at regular meetings is expected of our members. Any active member who fails to attend the meetings as defined below, shall be subject to termination. A member is considered excused if the member contacts a member regarding the meeting before the meeting starts.

Membership Fees:

There is an initial \$50.00 fee to join and then monthly fees for membership at \$9.00 per month, payable in advance every 6 months (\$55.00). Fees must be paid the first Meeting of January and July of each year and your check should be made payable to: *EP Business-to-Business Network*. New members pay a pro-rated fee to the next semi-annual dues period. All fees paid are non-refundable. Non-payment of fees and/or a lack of attendance will result in discontinued membership.

Membership Principals & Guidelines:

It is the duty of each member of the group to practice the following:

- 1) To possess and maintain high standards of practice and abide by these guidelines and meeting procedures
- 2) To arrive at meetings on time and be prepared
- 3) To share referrals (warm or cold) that result from prospecting, business activity or through working with clients, family and friends
- 4) To share referral success stories, or feedback on what happened with referrals received from the group’s members

- 5) To attend meetings regularly. Members who miss 3 consecutive meetings or more than 50% of the meeting within a 6-month period, are subject to replacement in the group
- 6) To be prepared for each weekly meeting as a presenter or focus topic facilitator when assigned to do so

Membership Development Process:

The development of your success in this group most likely will follow a process. The steps of the process are:

- Commitment** – be at each meeting to learn, share and be noticed by fellow members
- Participation** – be active or support a role for continued success of the group
- Develop Trust** – participation in the above two items will lead to the development of trust which is important to fellow members who share referrals
- Relationships** – the more members trust you and you show signs of active involvement in the development of yourself and the group, the higher the probability new relationships develop
- Referrals** – members have stated repeatedly, they prefer to know they can “trust” someone before sharing a referral as it will be a reflection of themselves to the referred person

Meeting Procedures:

- 1) Meetings will be held weekly and will be no more than one hour long
- 2) The Meeting Facilitator will open the meeting by reading the Mission Statement
- 3) Each member will present a 30 second commercial introducing themselves, what they do and explain what makes a good referral
